

Would you like to play a musical instrument?

The **DOOD** and **TOOT** are ideal for beginners. They are small, lightweight and perfect for those who would like to try a musical instrument.

The South Derbyshire Music Centre has been given a grant by the Leicestershire & Rutland Community Foundation to create three after-school music clubs in three local schools. The funding provides instruments and music, together with a contribution towards tuition costs. The project will run from November to May. Places are limited to fifteen children in each school. The sessions will be led by members of the Music Centre's Music Team.

These group sessions are straight after school for around an hour. For just £1.50 a session we will be learning to play lots of fun tunes and learn many skills along the way. We hope to see you there!

For more information, contact SDMC Coordinator at:
coordinator@southderbyshiremusic.org

- Invoices will be emailed to parents every half term, but if you prefer to pay weekly please inform the Coordinator at the email address above.
- Overseal Primary School music club is on Wednesdays
- Measham CE Primary School music club is on Fridays
- Donisthorpe Primary School music club is on Mondays
- Instruments and music are provided at no additional cost.
